

The Seventeenth Annual BRIMS Regional Bridge Building Championships
Sponsored by Scott & Murphy, Inc. and Stupp Bridge Company – March 10, 2012 at Stupp Bridge Company

CONTEST INFORMATION

Bridges may be entered on Friday, March 09 from 3:30 p.m. to 5:30 p.m. or on March 10 beginning at 7:30 a.m. Local schools are encouraged to have their bridges certified on Friday to avoid delays on Saturday. We would appreciate teachers e-mailing the approximate number of bridges being entered from their school by Thursday, March 10. This would help us greatly in our preparations. E-mails should be sent to Doug Jenkins at dougjenkins@insightbb.com **Please try to arrive at least one hour prior to the close of registration so that we may have time to certify all bridges and begin on time.**

All contestants will be required to sign a statement certifying that they have designed and constructed their own bridge. If a student cannot register in person, the teacher must sign the statement. **Please note that any changes made to a bridge at registration in order to meet specifications must be done by the student.**
